Travelex Frequently Asked Questions

General Questions

Q: Why should I insure my trip?

Traveling creates memories of a lifetime, and can also mean encountering the unexpected; ranging from an inconvenient flight delay to a cancellation for sickness, or a truly serious medical emergency. In today's travel environment, it's increasingly important to protect yourself and your travel investment from the unexpected and provide peace of mind in the event of emergencies, illness, etc.

Did you know that the Travelex travel protection plan helps provide coverage if:

- You or a family member become ill and you can no longer travel
- A family member passes away, and you must return from your vacation early
- You have a medical emergency and need to go to the hospital while on your trip
- Upon arrival at your destination your luggage is missing or damaged
- You lose your wallet and need assistance to replace your ID and credit cards
- Other unforeseeable events as listed in the [Policy](#)

Q: How much does the plan cost?

The plan cost is calculated at a rate of 8.5% of your total insured trip cost.

Q: Can I cover my international airfare?

Yes, you can cover the cost of your international airfare. Please note the total cost on your enrollment form, or contact a member of our Wilderness Travel team.

Q: If I book my international airfare using frequent flier miles/points, can I insure the cost of the ticket cancellation or change fee?

Yes, you can insure ticket cancellation or change fees by insuring them at 8.5% of the fee cost. If you have the Pre-Existing Waiver, you must insure these fees within 21 days of purchasing your international airfare.

Q: Can I insure other services that I've booked on my own?

No, if you are booking services on your own, only international airfare can be covered with this plan. Additional services, such as extra tours, hotels, etc. cannot be covered unless they are booked through Wilderness Travel.

Q: Wouldn't my current homeowners, renters, credit card, or health insurance policies cover me during my trip?

The products being offered provide insurance coverage that only applies during your covered Trip. You may have insurance coverage from other sources that provide similar benefits but may be subject to different restrictions depending upon the coverage. You may wish to compare the terms of the travel policy offered through Travelex with any existing life, health, home and automobile insurance policies you may have. If you have questions about your coverage under your existing insurance policies, contact your insurer or insurance agent or broker.

Q: Where can I review plan details?

For the full coverage terms and details, including limitations and exclusions, please review the [insurance policy](#).

Pre-Existing Medical Condition Questions

Q: What are Pre-Existing Medical Conditions?

A Pre-Existing Medical Condition is any illness, injury, disease, or other medical condition that occurs prior to purchasing insurance, and for which the person has sought diagnosis, medical treatment, a diagnostic test or exam, or new prescription medications or a change in their current prescription during the 60-day period prior to the policy effective date.

Examples:

- You have high blood pressure and recently changed your prescription medication
- Your daughter has Type 1 diabetes, and her insulin dosage changes often
- Your mother has cancer and recently underwent diagnostic testing

Q: Can Pre-Existing Medical Conditions be covered under this plan?

Yes, you can waive the Pre-Existing Condition Exclusion provided you meet the following requirements:

- 1) The payment for the plan is received within 21 days from the date you paid the initial Covered Trip deposit/payment (i.e. payment is received by Wilderness Travel) for your covered Trip, and
- 2) You are medically able to travel at the time of payment for the protection plan
- 3) The amount of coverage purchased equals all prepaid nonrefundable payments or deposits applicable to the Trip at the time of purchase and the costs of any subsequent arrangements added to the same Trip are insured within 21 days of the date of payment or deposit for any subsequent Trip arrangements;
- 4) The Trip Cost does not exceed the maximum Trip Cost limit under Trip Cancellation as shown in the Schedule per person (only applicable to Trip Cancellation/Interruption/ Delay).

Q: Who does the Pre-Existing Medical Conditions Exclusion Waiver apply to?

The pre-existing waiver applies to the traveler, traveling companion, business partner, and/or family member.

If you have a traveling companion with a pre-existing medical condition, which could result in you needing to cancel or interrupt your trip, both you and your traveling companion must have the pre-existing exclusion waiver, even if you do not have a pre-existing condition yourself.

If you have a business partner and/or family member, who is not traveling with you on your trip, but has a pre-existing medical condition that could result in you needing to cancel or interrupt your trip, you must have the pre-existing condition exclusion waiver (even if you do not have a pre-existing condition yourself).

Q: When do I need to purchase the plan to be covered for Pre-Existing Medical Conditions?

- **Base Trip Costs** – You must purchase the plan within 21 days of the initial trip deposit
- **Extra Services Booked Through Wilderness Travel** – You must insure the full trip payment to WT, including any extra services booked through Wilderness Travel to be eligible for the pre-existing conditions waiver. Any additional services must be insured within 21 days of paying the Final Invoice balance. If you add additional services after the time of Final Invoice, they must be insured within 21 days of purchasing.
- **International Airfare** – Covering international airfare is optional. If you would like to cover, your airfare will need to be insured within 21 days of the flight purchase in order for the waiver to remain valid

Enrollment Questions

Q: How do I enroll?

You enroll for Travelex coverage through Wilderness Travel. We just need your credit card information, dates of travel, and then we can take care of the rest. There are a few different ways to enroll:

- **Submit Enrollment Form** – In your welcome packet, we include a green travel protection plan enrollment form that you can fill out and return to our office by mail, fax, or emailed PDF. Please be sure to sign and date the form at the bottom.
- **Contact Wilderness Travel** - You can call us at 1-800-368-2794 or email us at info@wildernesstravel.com. We will work with Travelex to purchase the plan using your credit card on file (or a different credit card of your choosing).
- **Pay with Final Invoice** – If you do not want/need to cover pre-existing conditions, you can pay for the plan with your final trip payment. We will include a quote for the cost of the Travelex travel protection plan in your final invoice. When you authorize your final payment, please let Wilderness Travel know if you would like to confirm or decline travel protection coverage with your final payment.

Q: When do I need to purchase a protection plan?

If you want to cover Pre-Existing Medical Conditions, you must purchase the plan within 21 days of the initial trip deposit.

Otherwise, we encourage you to purchase on or prior to the Final Trip Payment Date, or before nonrefundable trip penalties begin. The cost of the plan can be paid any time before your trip's departure. However, coverage does not go into effect until purchased.

Q: After I purchase a protection plan, can I later add extra coverage for airfare, extensions, and extra hotel nights to my policy?

Yes, if you add additional services through Wilderness Travel (e.g., extensions or extra hotel nights), you can add coverage for these costs and the additional premium will appear on your final invoice.

See rules above for timing requirements if you are waiving the Pre-Existing Medical Condition Exclusion.

Q: If I change my mind after enrolling in a protection plan, can I get a refund?

Yes, we can refund your premium if you cancel your insurance policy within 15 days of insurance purchase, provided you have not departed or filed a claim.

Q: If Wilderness Travel cancels my trip will my premium be refunded?

Yes. On the rare occasion that Wilderness Travel must cancel a departure, your travel protection plan will be canceled and automatically refunded in full.

Q: Is my policy transferable if I transfer to a different Wilderness Travel trip?

Yes, you are allowed a one-time date transfer of your policy to a future departure.

Q: After I purchase a travel protection plan, will I receive confirmation of coverage?

You will receive an email confirmation of coverage directly from Travelex within 2-3 weeks after purchase. However, you can view the full policy detail by downloading your state specific policy: <http://policy.travelexinsurance.com/334A-1217>.
